Mr. Carlos L. Amato, AIA, LEED AP
CANNON DESIGN
1901 Avenue of the Stars, Suite 175
Los Angeles, CA 90067

**RE: NOTICE OF SELECTION FOR CONTRACT AWARD
REQUEST FOR QUALIFICATIONS – SITE PHARMACY USP 800 COMPLIANCE &
LABORATORY UPGRADES**

Dear Mr. Amato:

It is our pleasure to inform you that Cannon Design has been selected as the best qualified firm to provide Architectural & Engineering Design Services for the Site Pharmacy USP 800 Compliance & Laboratory Upgrades Projects (*Request for Qualifications*) at the UC Irvine Medical Center campus.

This letter serves as a notification that the University intends to award an Executive Design Professional Agreement (EDPA) to your firm for the subject services. In accordance with Public Contract Code §10510.8 (a), the University is requesting your firm to provide a detailed hourly rate schedule for all applicable labor categories in the effort to negotiate a satisfactory contract.

We are enthusiastic about this selection and believe your experience and expertise will be of great value to the University. Thank you for your commitment to support the future growth of the UC Irvine Medical Center. If you have any questions about this contract award, please contact me.

Sincerely,

Elita Dao
Principal Contract Administrator
Planning Administration, UC Irvine Medical Center
